Abia State University went for a break , and one child who was interested in sitting with me during the break started talking to me. It was a fun time, because it felt like I was getting to know him. I asked him what his favorite class was, and he told me that his favorite class was called Erotic Literature. I asked him what he did on his breaks and he told me that he went to the library and read. He also told me that he liked science, especially chemistry. After a little while, we finished our break and the teacher came over and said, "Are you two new?" We said yes. He said, "Well,
